

Plan to Meet GMS/PMS 2015-16 Contractual Requirement for Patient Online Service

Statement of Intent

Access to online detailed coded Medical Records

This practice plans to offer the facility, for patients who specifically request it, to view online, export or print detailed coded information held in their own records from 1st of April 2016 e.g. Demographics, Allergies, Medications, Immunisations and Results etc.

These dates are subject to the necessary NHS GP systems and software being available to the practice.

This practice CURRENTLY offers the facility for patients:

- to book, view, amend, cancel and print appointments online
- to order online, view and print a list of their repeat prescriptions for drugs, medicines or appliances
- to view online, export or print summary information from their record, relating to medications, allergies, adverse reactions and any other items agreed between the practice and individual patient

We will publicise and promote our online services to our practice's patients through the practice website, practice waiting room leaflets and posters by 31st of March 2016.
